

GREENER CITIES, GREENER EUROPE

How the Urban Agenda for the EU Partnerships
can bring sustainability closer to citizens

Date: 7 October 2019

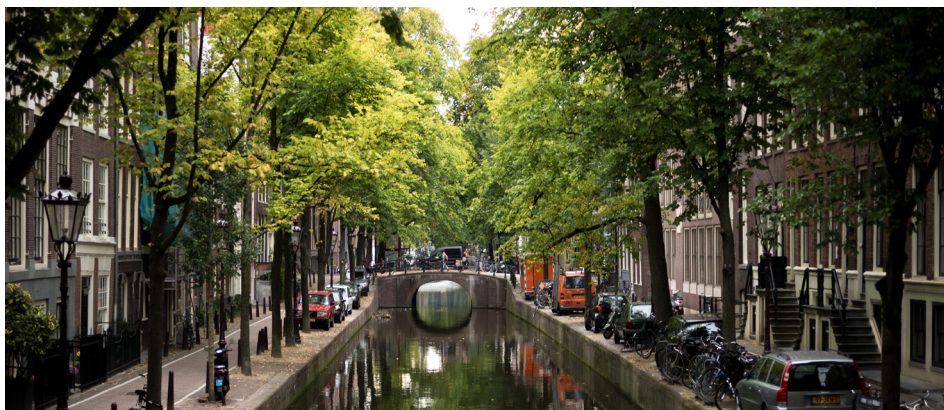

Location: Permanent Representation of the Netherlands to the
European Union, Kortenberglaan 4-10, Brussels, Belgium

Organizer: European Urban Knowledge Network (EUKN) EGTC on
behalf of the Dutch Ministry of the Interior and Kingdom Relations

Language: English

Participation: Free of charge, max 80 participants

The EUKN conference will focus especially on the role of city governments and the involvement of citizens in relation to sustainability, exploring the acquis of the Urban Agenda for the EU's "green" Partnerships and their Actions, dilemmas, good practices, and planned steps. The conference hopes to promote a fruitful multi-stakeholder exchange while addressing questions as: What can policy-makers learn from local environmental transition initiatives? What are key dilemmas in defining and delivering sustainability policies at different levels of government and together with civil society actors?
